*Washing and Cleaning are now
more Economical and Effective!*

No detergents, no chemicals

Indalo-3

WHAT IS INDALO-3?

Indalo-3 is an innovative and ecological product for washing your clothes and cleaning your home.

-  It's designed to save you money and keep your clothes cleaner and fresher.
-  It works with the same cleaning technology used in the laundries of well-known hotel chains such as Hilton and Marriot, as well as in clinics and hospitals.

THIS IS HOW IT WORKS

Indalo-3 turns cold water, which comes from the mains, into a powerful cleaning agent. In addition, optimizes washing (lower temperature, fewer chemicals, and reduced washing cycles).

Ozone is a powerful ecological disinfectant that eliminates viruses, bacteria, fungi, and mold, among others; without leaving any residues. It eliminates all types of unpleasant odors in the environment and in the water.

No more
detergents

Preserves
colors

Indalo-3

European technology,
100% Safe and natural

Do not spend more money on detergents or cleaners

Indalo-3 uses the power of activated oxygen in combination with ozone. Removes dirt and stains from all types of fiber, without contaminating the environment.

Cleaning

It's ideal for cleaning tables, floors, bathrooms, etc.

Saving

With Indalo-3 you save money on the consumption of chemicals, cleaners and electric service.

Modern and elegant design

Easy to install

Indalo-3 is connected to the washing machine using existing standard size hoses. No need for modifications, no additional plumbing.

Led bar

Indalo-3 has a modern control panel that informs you about the functioning of the equipment, its ozone level, etc.

With warranty

Indalo-3 is warranted for 3 years and is supported by Indalo Water.

Specifications

Model:	Indalo-3
Inlet voltage	AC 100-240V/50-60Hz

True clean scent, no irritating chemicals.
100% natural technology. Ideal for children and people with delicate or allergic skin.

Deeply penetrates the fiber, removing stains; without altering the color and leaving your clothes soft.

BENEFITS

SAVES ENERGY

It eliminates the use of hot water for washing. Cold water only.

DETERGENT SAVING

The disinfectant and cleaning power of **Indalo-3** reduces and eliminates the use of detergents, softeners, and bleachers.*

ECO-FRIENDLY

It eliminates the use of hot water and detergents. By using less energy, thousands of gallons of detergent and bleach toxic to the environment are not wasted.

LOW OPERATION COST

It consumes less energy than a 40 watts bulb.

VERSATILE

Indalo-3 is compatible with all washing machines on the market.

NO CHEMICAL IRRITANTS

It eliminates skin irritation caused by common detergents and disinfectants. **Indalo-3** is recommended for babies and people with sensitive skin.

LONGER-LASTING CLOTHING

It reduces damage to clothing, without the use of fabric-wearing chemicals.

TWICE AS CLEAN

Rinsing cycle becomes a powerful second wash.

* Pre-wash recommended for strong stains.

Eliminates bacteria

No need for hot water

Reduces water hardness

Saves money

Chemical-free

Allergen-free
